Local Candler students win chance to compete in Destination ImagiNation Global Finals!

Destination ImagiNation, is a non-profit organization that provides educational programs for students to learn and experience creativity, teamwork and problem solving. These students have earned the right to take part in the competition of a lifetime at Destination ImagiNation (DI) Global Finals, May 22 - 25, 2019 in Kansas City, Missouri. The Pisgah Elementary Destination ImagiNation Team will compete against students from across the United States and more than 30 countries, including teams from Japan, China, Mexico and Canada.

We are excited about representing Pisgah Elementary School, Buncombe County Schools and the State of North Carolina at this year's DI World Finals. The cost of lodging, meals and transportation to participate is approximately \$1200 per student (6 team members). This is a tremendous opportunity that we cannot afford to miss!

Please consider making a financial contribution to help us meet the cost of showcasing our team's creative solution at Global Finals. Your tax-deductible donations can be made to:
