

Pisgah Elementary School

Title I Family-School Compact

2020 - 2021

Pisgah Promise

At Pisgah Elementary School we are a family of learners. We respect and care about each other. We are safe and responsible students. That is who we are even when no one is watching.

School Mission Statement

Students at Pisgah Elementary School will be challenged through a meaningful complex curriculum with problem solving experiences capable of becoming responsible citizens who can adapt to a global community in a changing world.

School Belief Statement

Students:

We believe students will find success through varied learning styles in a safe environment. We believe students will be positively encouraged to be actively engaged in their own learning.

Teachers:

We believe students will have committed teachers dedicated to them in all ways: academics, discipline, respect, and self-esteem.

Parents/Community:

We believe our parents and community share the common responsibility of understanding the expectations of, and providing the support for, an environment where maximum learning can occur.

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring- that parents play an integral role in assisting their child's learning; that parents are encouraged to be actively involved in their child's education at school; that parents are full partners in their child's education and are included, as appropriate, in decision making and in advisory roles to assist in their education of their child.

School Improvement Goals

As a school, we will:

Provide high quality instruction and/or remediation and enrichment interventions when necessary. Maintain high standards for student performance and clear expectations for what students learn. Communicate behavioral and academic progress through the use of work folders, newsletters, report cards, conferences and phone calls. Be accessible to meet with parents in a timely manner. Provide opportunities for family engagement in the classroom and during school events.

Jeanann Yates, Principal

Classroom Teacher

As a parent, I will:

Make sure my child attends school every day, arriving by 7:30 a.m. for morning routines. Let the teacher know if my child has any problems with learning. Provide a regular time and place for homework and support the completion of school assignments. Use school resources to keep updated about school issues and activities. Examples: work folders, newsletters, and the principal's weekly phone messages. Help my child understand the value of education and appreciate how strengths in reading and math will be necessary as he/she pursues a life career.

Parent/Guardian

As a student, I will:

Have high expectations for myself, keep a positive attitude and be respectful. Come to school prepared to learn and complete all assignments. Listens respectfully and do my best in all classroom activities. Read on my own or with a family member everyday and let my teacher and my family know if I need help. Talk to my family about what I learn and do at school every day. Follow the Pisgah Elementary expectations by always being: **RESPECTFUL, RESPONSIBLE, AND SAFE.**
